

Dear applicants,

You have successfully submitted your e-application. To complete the application process, **check if you have submitted all required documents with your e-application.**

The next step you need to do is **to register for General Academic Prerequisites Test** at <https://www.scio.cz/english/nce/dates/index.asp>

**General Academic Prerequisites (GAP) test is an obligatory part of the admission procedure, ensuring objective evaluation of applicants' skills. You will take the online test on 4 February 2023. The GAP test is subject to 27 € fee (charged after registration by Scio). The deadline for the GAP Test registration is 19 January 2023. The later registration is not possible.**

Make sure you use the same email address and name as in your e-application in the University Information System.

There are **strict rules** that ensure fairness and transparency in the examination process. Read them correctly. Their violation can lead to invalid test results!

It is necessary to go through **the onboarding test** (which is not evaluated) **no later than four days before the exam. Otherwise, you will not be able to take your GAP test!** The instructions about onboarding test will be provided by Scio.

Finally, we ask you **NOT TO SEND US YOUR RESULTS from the GAP test** via email. We will receive them from the Scio company directly.

## REGISTRATION GUIDE

### 1. Register yourself

Registration for the NCE

Name

Last name

Personal identification number

By filling in the birth number, you give explicit [consent to its processing](#).
