## **Doctoral Summer School 2022: Transferable Skills for Early-Career Researchers, 16-17 Sep 2022**

The Doctoral Summer School is organized by the Czech National Library of Technology ([NTK](#)) in collaboration with [SciLink Foundation](#) in Netherland, University of Chemistry and Technology in Prague ([UCT Prague](#)) and Committee for Doctoral studies under the Czech Student Chamber of the Council of the Higher Education Institutions ([SK RVŠ](#)).

### **Aims**

To enhance skills of early-career researchers in three important topic areas:

1. **Research Project Management**
2. **Career Management**
3. **Leadership in Researcher**

Competencies and skills in these areas are essential for your personal and professional development, PhD journey and career advancements. They are transferable across various sectors helping you to manage research projects with confidence, building self-awareness of what you want from a career and allowing you to lead research teams and projects effectively. Additionally, Doctoral Summer School provides valuable networking opportunities with your peers in the Czech Republic.

Training courses are designed and taught by active, experienced researchers.

Each participant will receive a certificate after the completion of the course.

### **Target group**

Early-Career Researchers in the Czech Republic

- **Doctoral candidates** (enrolled in doctoral training programmes)
- **Postdoctoral researchers** (up to 8 years from their PhD)

The working language of the training sessions is English.

### **Participation Fee**

- **40 EUR** (Early Bird registration)

\*The participation fee covers: training materials, meals during the event and attendance in the social programme (Boat cruise on Vltava river).

More information and registration: <https://techlib.cz/u/DSS2022>
