

How to register for the GAP test for Faculty of Environmental Sciences applicant

GAP = General Academic Prerequisites

The test is organised by Scio company. You have to register through their websites
<https://www.scioexams.com/>.

The registration Step by step

- 1) Choose ***I want to go to college*** on the main site

- 2) Choose ***I'll start by choosing a date***

University Admission

National Comparative Exams (NCE) replace or complement admission
for more than 60 universities in the Czech Republic and Slovakia.

- Exams take seven times a year in Czechia, Slovakia **and online**.
- Registration is **independent** of the university application.
- You can register at any time, even before applying to the university.
- Only your **best result counts**.
- You can use one result for multiple universities.

I'll start by choosing
the faculty

I'll start by
choosing a date

- 3) Click ***Register*** on the dates site
 - The GAP test is organized 5 times a year.

Dates and Registration

You can sign up for any date. If you participate more than once, only the best result will count. If your school wants more subjects, you can take them in one or in different dates.
