

## Opening of the 3rd Stage of the Admission Procedure for Selected Master's Degree Programs Taught in English for the Academic Year 2025/2026 at the Faculty of Environmental Sciences, CZU in Prague

Based on the Dean's Directive No. 6/2024 – Conditions of the Admission Procedure for Bachelor's and Master's Degree Programs Taught in English for the Academic Year 2025/2026, the Dean of the Faculty of Environmental Sciences (FES), CZU Prague, has decided to open the 3rd stage of the admission procedure from May 1, 2025 to May 31, 2025 for the following study programs:

Study Program	Entrance Examination Subjects
Environmental Modelling	mathematics, physics, hydrological cycle, and basic chemistry
Nature Conservation	ecology and biology
Environmental Geosciences	geology and environmental chemistry
Landscape Planning	ecology, landscape ecology, physical geography

The second round of the admission procedure also includes an oral interview, which applicants must attend in person at FES CZU. In case an applicant is unable to attend the interview in person, they may submit a request to the Vice-Dean for International Relations as part of their application to allow for an online interview.

Other conditions are further specified in the approved Dean's Directive No. 6/2024 – Conditions of the Admission Procedure for Bachelor's and Master's Degree Programs Taught in English for the Academic Year 2025/2026, published on the faculty's website.

Prague, April 28, 2025

Prof. RNDr. Michael Komárek, Ph.D.  
Dean
