# How to register for the GAP test
for Faculty of Environmental Sciences applicants

GAP = General Academic Prerequisites

The test is organised by Scio company. You have to register through their websites www.scioexams.com.

The registration Step by step

1) Choose *I want to go to college* on the main site

2) Choose *I'll start by choosing a date*

3) Click **Register** on the dates site
   The GAP test is organized 5 times a year

Dates and Registration

You can sign up for any date. If you participate more than once, only the best result will count. If your school wants more subjects, you can take them in one or in different dates.

13) Pay for your order

14) You are registered for the exam. YYou will receive all the information from Scio to your e-mail. Good luck!

Your account

You will get to your account through the main site (www.scioexams.com)

SCIO   Universities   Exams registration   Tests and examples   Projects and services   🛒   [Your account 😊]   🇬🇧 ⌄

There you can find your orders, an overview of exams, and your results (available approximately 2 weeks after the exam).

Do not forget to set your faculties so Scio can send them your results.

Go to My faculties in your account

Give consent to send exam results.

If you choose **all**, Scio will send your results only to faculties that you applied to and which will ask for it.

If you choose **only faculties selected by me**, add the faculty by selecting these informations:

State: Česká republika
City: Praha
School: Česká zemědělská univerzita v Praze

Add Fakulta životního prostředí to your account.
