

Opening of the second phase of the admission procedure for the follow-up Master's Degree Programme Environmental Data Science taught in English for the Academic Year 2026/2027 at the Faculty of Environmental Sciences, Czech University of Life Sciences Prague

Pursuant to the Dean's Regulation No. 6/2026 – Conditions for the admission procedure to the follow-up master's degree programme Environmental Data Science taught in English for the academic year 2026/2027, the Dean of the Faculty of Environmental Sciences of the Czech University of Life Sciences Prague has decided to open the second phase of the admission procedure from 1 May 2026 to 31 May 2026.

The second round of the admission procedure also includes an oral interview, which applicants must attend in person at the Faculty of Environmental Sciences, CZU. If an applicant is unable to attend the interview in person, they may submit, as part of their application, a request to the Vice-Dean for International Relations to allow an online interview.

Other conditions are specified in detail in the approved Dean's Regulation No. 6/2026 – Conditions for the admission procedure to the follow-up master's degree programme Environmental Data Science taught in English for the academic year 2026/2027, published on the Faculty website.

In Prague, 1 April 2026

prof. RNDr. Michael Komárek, Ph.D.

Dean
