E. SPUŠTĚNÍ ARCGIS

- Všechny instalované komponenty ArcGIS najdete ve svých programech

ZÁVĚREM

- Platnost licence je 1 rok.
- Licenční číslo je možné autorizovat 1x. Není tedy možné s jedním číslem provést instalaci na notebook a zároveň stolní počítač, nebo po reinstalaci počítače instalovat znova.
- Extenze *Full Motion Video* je licencována jen na 3 měsíce! Licenci zřejmě k ničemu nevyužijete, tedy není potřeba. I po skončení její platnosti ArcGIS bude fungovat.
